

COMO ESTÁ

SOL

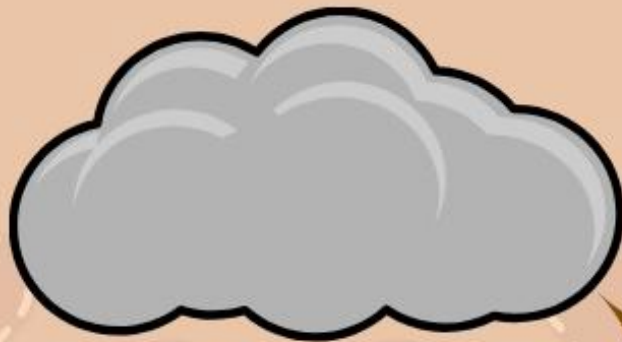

A cartoon character, Stitch, is shown from the chest up. He is split vertically down the middle: the left side is blue with large black eyes and a blue nose, while the right side is pink with large black eyes and a pink nose. He has a small, wavy line for a mouth. The background is a soft, pinkish-white gradient with several small, solid pink hearts scattered around.

CLIMA?

A large, stylized cloud is the central focus. It has a brown, scalloped outer border and a dashed yellow line forming an inner cloud shape. Inside the cloud, there is a smaller, solid blue cloud with a gradient. Below this blue cloud, four blue raindrops are falling. The background is the same pinkish-white gradient with pink hearts as the top section.
